

Criminal Conviction Determination Request Form

Section 9.78 of the Ohio Revised Code allows an individual who has been convicted of a criminal offense to request that State of Ohio Board of Pharmacy determine whether that conviction disqualifies the individual from obtaining a license or registration as a pharmacist, pharmacy intern, or pharmacy technician.

To submit for a determination, complete the form included in this document and mail it, along with all requested documentation, and a check or money order for \$25.00 to:

State of Ohio Board of Pharmacy
C/O: CC Determination
77 South High Street, 17th Floor
Columbus, Ohio 43215

The check or money order must be made payable to "Treasurer, State of Ohio"

The Board is required to issue a determination within 30 days of receiving a request. The 30-day timeframe begins once a complete form, supporting documents and payment have been received by the Board.

IMPORTANT: The State of Ohio Board of Pharmacy is not bound by its determination if, upon further investigation, it finds that the criminal convictions of the individual differ from what was included in the request.

Pursuant to sections 9.78 and 9.79 of the Revised Code, the Board is required to post a list of all criminal offenses of which conviction of that offense would disqualify an individual from obtaining a license or registration. [This list may be accessed here.](#)
