A license can be suspended during monthly Board business or via a telephone conference call pursuant to relevant statutory authority.

To obtain a copy of the Summary Suspension/Notice of Opportunity for Hearing, please visit the state's eLicense website at <https://elicense.ohio.gov>. From there, enter either the first and last name, business name, or license number on the "Verify a License" page and select search.

Once the correct person/entity is selected, select the license number under the "License/Endorsement#" header. From there, select "View More Info" which will open the license detail page.

On the license detail page, select "View" under Board Action. This link will appear in blue. A "Download Board Action document(s)" window will open. Then select "View" and, in new tab, the available board action documents will appear.

The Summary Suspension/Notice of Opportunity for Hearing document is the only publicly available document until the conclusion of the administrative process.

Pursuant to ORC Sections 4729.23 and 149.43(A)(1)(h) all Board of Pharmacy investigations are confidential. After the conclusion of the administrative hearing process, the Board's Order will also be publicly available on the eLicense site by following the above instructions.
