

CREDENTIAL CLASS TYPE: NON-RESIDENT PHARMACY (NRP)

Your terminal distributor of dangerous drugs (TDDD) license will expire on March 31, 2018.

Failure to renew by the **March 31, 2018** deadline will cause your license to default to a "Failure to Renew" status and you will incur late fees. Once a license expires, it is also illegal to purchase, possess, store, or dispense dangerous drugs in Ohio.

To initiate the process, the Board of Pharmacy will send an e-mail to the contact person on the license that you will need to renew online on our website at www.pharmacy.ohio.gov. The email will contain a User ID and password, and a link to our website labeled "2018-2019 Renewal for Terminal Distributors." The link will be available beginning January 12, 2018.
