2) Registered Pharmacy Technician Expiration date for Initial Registration Issued in December 2021

Any registered pharmacy technician registration issued on/between December 1, 2021 and December 31, 2021 received an expiration date of March 31, 2022. The Board hereby extends the expiration date of these registrations to March 31, 2024 to align with proposed rule changes to rule 4729:3-2-03(C) that are pending finalization. Impacted registrants will not be required to renew during the 2022 renewal cycle.

4729:3-2-03 – Renewal procedures

- (C) A renewal application for registered pharmacy technicians shall be submitted no later than the thirty first of March of each even-numbered year. Renewal applications shall be accepted no earlier than January of each even-numbered year on a date determined by the board's director of licensing.

An initial registration issued by the state board of pharmacy on or after the first of ~~January~~December of every ~~even~~odd-numbered year in accordance with Chapter 4729. of the Revised Code entitles the individual to whom it is issued to practice as a registered pharmacy technician until the renewal date immediately following the next required renewal date.
