Submitting Theft or Loss Reports

Updated 1/23/2019

Effective March 1, 2019, rules 4729:5-3-02 and 4729:6-3-02 of the Ohio Administrative Code require all terminal distributors and drug distributors (manufacturers, wholesalers, third-party logistics providers, repackagers and outsourcing facilities) to report theft or significant loss of dangerous drugs (controlled and non-controlled prescription drugs) and drug documents via the Board's online portal. For more information on the implementation of these rules, please review this FAQ: www.pharmacy.ohio.gov/theft.

NOTE: The online portal is now operational and may be used to meet current theft or significant loss notification and reporting requirements in accordance with rule 4729-9-15 of the Ohio Administrative Code. The current rule will be rescinded effective March 1, 2019.
