

Pharmacist Continuing Education (CE) Reporting Requirements

Updated 3/18/2019

Effective September 16, 2018, [rule 4729:1-5-02 of the Ohio Administrative Code](#) updates the required minimum continuing education units (CEUs) pharmacists are required to obtain and aligns the reporting period to the biannual renewal cycle.

Specifically, pharmacists are required to obtain a minimum of 4.0 CEUs (40 hours) every two years prior to license renewal. Every pharmacist, no matter of license number will be on the same reporting cycle beginning with the 2019 renewal. Please refer to the chart on the next page for hours required for the 2019 reporting period.

The following provides a quick overview of the Board's continuing education requirements:

- Any format (live, home study) is acceptable
- Minimum 40 hours (4 CEUs) total, which must include:
 - Minimum 2 hours medication errors/patient safety (ACPE -05)
 - Minimum 2 hours jurisprudence or law (ACPE -03) or Ohio Board of Pharmacy Approved Jurisprudence
- **NOTE:** Only ACPE courses and CE from approved in-state providers (law and provision of volunteer healthcare services) are accepted. Some examples of courses that are not accepted include continuing medical education (CME) and continuing legal education (CLE).

In-State Provider Changes (Effective September 16, 2018)

Effective September 16, 2018, new rules ([4729-6](#)) make changes to in-state providers of continuing education. These changes include:

- In-state providers will only be allowed to grant CE credit for pharmacy jurisprudence courses or the [provision of volunteer healthcare services](#).
- All jurisprudence programs from in-state providers must be approved by the Board of Pharmacy prior to the presentation of the program.
- Limits to the type of courses that may be presented for CE credit.

IMPORTANT: Any CE credit which was already granted prior to September 16, 2018 will still be accepted by the Board.

Proof of Completion

All ACPE credits earned shall be reported to the National Association of Boards of Pharmacy (NABP) CPE Monitor. Pharmacists shall keep all certificates and other documented evidence of participation that have been issued by a non-ACPE accredited provider for approved credits for a minimum of one year following the year in which the CE was required for renewal. Pharmacists are only required to supply documentation as proof of completion when requested by the Board.

A pharmacist may satisfy some of the CE requirements by the following:

- Holds a current certification by a Board approved pharmacy practice-specific specialty certification program. The program shall require periodic recertification examinations and provide documentation that the pharmacist is currently certified in the program. The pharmacist must still earn and provide evidence at the time of license renewal of having completed at least 0.2 CEUs (2 hours) of pharmacy jurisprudence/law and 0.2 CEUs (2 hours) of medication errors/patient safety per CE reporting cycle.
- Provide healthcare services as volunteer in accordance with [section 4745.04 of the Ohio Revised Code](#). The location where health care services are provided shall be an approved in-state provider of volunteer healthcare services by the Ohio Board of Pharmacy. **Volunteer hours may account for one-third of the CE requirement (13 hours).** The pharmacist must still earn and provide evidence at the time of license renewal of having completed at least 0.2 CEUs (2 hours) of

pharmacy jurisprudence/law and 0.2 CEUs (2 hours) of medication errors/patient safety per CE reporting cycle.
