

STATE OF OHIO BOARD OF PHARMACY: QUALIFIED PHARMACY TECHNICIAN EXAMINATIONS

Updated 11-9-2015

Pursuant to the requirements of paragraph (A) of rule 4729-4-02, the following list contains information regarding the qualified pharmacy technician examinations that are provided by a national pharmacy technician certification program and are accredited by the National Commission for Certifying Agencies:

- 1) The ExCPT examination provided by the National Healthcareer Association (formally the Institute for the Certification of Pharmacy Technicians): <http://www.nhanow.com/certifications/pharmacy-technician>
- 2) The Pharmacy Technician Certification Examination (PTCE) provided by the Pharmacy Technician Certification Board (PTCB): www.ptcb.org
