Resolution: Candidate Status - American Society of Health-System Pharmacists/Accreditation Council for Pharmacy Education

Approved 3/4/2019

The State of Ohio Board of Pharmacy hereby recognizes and approves all pharmacy technician training programs that have candidate or accreditation status with American Society of Health-System Pharmacists/Accreditation Council for Pharmacy Education as meeting the requirements of paragraph (A)(1) of rule 4729:3-3-02 of the Administrative Code and division (C) of section 4729.94 of the Revised Code.

All programs in candidate status must be notified of accreditation status no later than eighteen months from the time the program receives its initial notification of candidate status.

All programs in candidate status must notify all current and potential participants that the program is in candidate status.

Failure to comply with the requirements of this resolution will result in the rescission of the program's status as an approved pharmacy technician training program.
