## **Pharmacist Emeritus Status**

### **Revised 1/15/2025**

Rule <u>4729:1-2-10</u> of the Ohio Administrative Code permits a pharmacist to place their license into emeritus status. This rule is intended to permit a pharmacist who retires from the practice of pharmacy to maintain their license as an emeritus pharmacist.

By placing a license into emeritus status, a pharmacist agrees to the following terms:

- The pharmacist is no longer permitted to engage in the practice of pharmacy in this state.
- Upon issuance of an emeritus designation, a license authorizing the person to practice pharmacy shall be considered void and may only be renewed or reinstated in accordance with the standard renewal or reinstatement process.

For a pharmacist to qualify for emeritus status, they must meet the following requirements:

- 1. Is currently or has been licensed to practice pharmacy in this state for at least ten years;
- 2. Is retired from the practice of pharmacy;
- 3. Is in good standing\*;
- 4. Is at least sixty years old; and
- 5. Has applied for an emeritus designation using the form on the next page of this document.

\*In good standing means a pharmacist to which <u>all</u> the following apply at the time of their emeritus application: (a) Does not have a board order restricting the privilege of supervising interns; (b) Has not been denied a license, registration or certificate by any public agency or licensing agency; (c) Does not have a license, registration or certificate limited, suspended, or revoked by any public agency or licensing agency.
