If, in the judgment of the Board, Sam J. FINDING OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds that Vernon A. Infantino has complied with the terms set forth in the Order of the State Board of Pharmacy, Docket No. D-010405-057, effective June 10, 2002.

DECISION OF THE BOARD

On the basis of the Finding of Fact set forth above, and after consideration of the record as a whole, the State Board of Pharmacy hereby approves the reinstatement of the pharmacist identification card, No. 03-3-11610, held by Vernon A. Infantino, to practice pharmacy in Ohio and places Vernon A. Infantino on probation for five years beginning on the effective date of this Order, with the following conditions:

(A) Vernon A. Infantino must, even if he has a current contract, enter into a new contract within thirty days from the effective date of this Order with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and submit a copy of the new signed contract to the Board office before his pharmacist identification card is issued. The new contract must provide that:

(1) Random, observed urine drug screens shall be conducted at least once each month for the first year and then at least once every three months for the remaining four years.

   (a) The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   (b) Pemoline and alcohol must be added to the standard urine drug screen. A Breathalyzer may be used to test for alcohol, but an appropriately certified individual must conduct the test within twelve hours of notification.

   (c) Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive result, including those that may have resulted from ingestion of food but excluding false positives that resulted from medication legitimately prescribed, indicates a violation of the contract.

(2) The intervener/sponsor shall provide copies of all drug and alcohol screen reports to the Board in a timely fashion.

(3) Attendance is required a minimum of three times per week at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.
The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

(B) Vernon A. Infantino must submit quarterly progress reports to the Board (due January 10, April 10, July 10, and October 10 of each year of probation) that include:

(1) The written report and documentation provided by the treatment program pursuant to the contract, and

(2) A written description of Vernon A. Infantino’s progress towards recovery and what Vernon A. Infantino has been doing during the previous three months.

(C) Other terms of probation are as follows:

(1) The State Board of Pharmacy hereby declares that Vernon A. Infantino’s pharmacist identification card is not in good standing and thereby denies the privilege of being a preceptor and training pharmacy interns pursuant to paragraph (D)(1) of Rule 4729-3-01 of the Ohio Administrative Code.

(2) Vernon A. Infantino may not serve as a responsible pharmacist.

(3) Vernon A. Infantino may not destroy, assist in, or witness the destruction of controlled substances.

(4) Vernon A. Infantino must abide by the contract with his treatment provider and must immediately report any violation of the contract to the Board.

(5) Vernon A. Infantino must not violate the drug laws of Ohio, any other state, or the federal government.

(6) Vernon A. Infantino must abide by the rules of the State Board of Pharmacy.

(7) Vernon A. Infantino must comply with the terms of this Order.

(D) Any violation of probation may result in a Board hearing to consider alternative or additional sanctions under Section 4729.16 of the Ohio Revised Code.

(E) If Vernon A. Infantino's pharmacist identification card to practice pharmacy in Ohio is not issued within three years of the effective date of this Order, Vernon A. Infantino must also take and pass the North American Pharmacist Licensure Examination (NAPLEX) or an equivalent examination accepted by the Board.

Vernon A. Infantino is hereby advised that the Board may at any time revoke probation for cause, modify the conditions of probation, and reduce or extend the period of probation. At any time during this period of probation, the Board may revoke probation for a violation occurring during the probation period.
