FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Donald A. Alexander on November 8, 2006.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy adjudicates the matter of Donald A. Alexander as follows:

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification card, No. 03-3-27121, held by Donald A. Alexander and such suspension is effective as of the date of the mailing of this Order.

(A) Donald A. Alexander, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

(B) Donald A. Alexander, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return his identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested.

Further, after three years from the effective date of this Order, the Board will consider any petition filed by Donald A. Alexander for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

(A) Donald A. Alexander must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years, and submit a copy of the signed contract to the Board office. The contract must provide that:

(1) Random, observed urine drug screens shall be conducted at least once each month.
(a) The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

(b) Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

(2) The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

(3) Attendance is required a minimum of three times per week at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

(4) The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

(B) Donald A. Alexander must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.

(C) Donald A. Alexander must provide, at the reinstatement petition hearing, documentation of the following:

(1) Compliance with the contract required above (e.g.-proof of giving the sample within twelve hours of notification and copies of all drug screen reports, meeting attendance records, treatment program reports, etc.);

(2) Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;

(3) Compliance with the terms of this Order.

(D) If reinstatement is not accomplished within four years of the effective date of this Order, Donald A. Alexander must also show successful completion of the NAPLEX.

(E) Upon such time as the Board may consider reinstatement, Donald A. Alexander will be afforded a Chapter 119 hearing. At such time, the Board may consider reinstatement with or without restrictions and/or conditions as the Board deems appropriate under the circumstances.

(2) Barney T. Dotson is addicted to or abusing drugs or alcohol and/or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy, to wit: Barney T. Dotson has admitted to a Board agent that he is addicted to both drugs and alcohol. Barney T. Dotson has been to in-patient alcohol treatment previously, and has stated an intention to enter into treatment again. Barney T. Dotson has indicated to a Board agent that his consumption of hydromorphone began with ingestion of approximately 2 mg per occasion, and it escalated to 8 to 10 mg each use. Barney T. Dotson's abuse was discovered on March 16, 2007, when he was arrested after having passed out while driving his car and struck another vehicle. Such conduct indicates that Barney T. Dotson is within the ambit of Sections 3719.121 and/or 4729.16(A)(3) of the Ohio Revised Code.

(3) Barney T. Dotson did, on or about March 16, 2007, and on various dates preceding, with purpose to deprive, knowingly obtain or exert control over dangerous drugs, the property of Curascript Infusion Pharmacy, beyond the express or implied consent of the owner, to wit: Barney T. (2) The State Board of Pharmacy concludes that paragraphs (3) and (4) of the Findings of Fact constitute being guilty of dishonesty and unprofessional conduct in the practice of pharmacy as provided in Division (A)(2) of Section 4729.16 of the Ohio Revised Code.

in the matter of:

KEVIN KELLY SHEETS, R.Ph.
1063 29th Street
Portsmouth, Ohio 45662

R.Ph. Number 03-3-11763

This Settlement Agreement is entered into by and between Kevin Kelly Sheets and the Ohio State Board of Pharmacy, a state agency charged with enforcing the Pharmacy Practice Act and Dangerous Drug Distribution Act, Chapter 4729. of the Ohio Revised Code.

Kevin Kelly Sheets voluntarily enters into this Agreement being fully informed of his rights afforded under Chapter 119. of the Ohio Revised Code, including the right to representation by counsel, the right to a formal adjudication hearing on the issues contained herein, and the right to appeal. Kevin Kelly Sheets acknowledges that by entering into this agreement he has waived his rights under Chapter 119. of the Revised Code.

Whereas, the Board is empowered by Section 4729.16 of the Ohio Revised Code to suspend, revoke, place on probation, refuse to grant or renew an identification card or enforce a monetary penalty on the license holder for violation of any of the enumerated grounds therein.

Whereas, Kevin Kelly Sheets is licensed to practice pharmacy in the State of Ohio.

Whereas, on or about August 9, 2007, pursuant to Chapter 119. of the Ohio Revised Code, Kevin Kelly Sheets was notified of the allegations or charges against him, his right to a hearing, his rights in such hearing, and his right to submit contentions in writing. Kevin Kelly Sheets requested a hearing; it was scheduled. The August 9, 2007, Notice of Opportunity for Hearing contains the following allegations or charges:

(1) Records of the State Board of Pharmacy indicate that Kevin Kelly Sheets was originally licensed by the State of Ohio as a pharmacist on August 4, 1976, pursuant to examination, and is currently licensed to practice pharmacy in Ohio.

(2) Kevin Kelly Sheets did, on or about March 20, 2007, misbrand a drug, to wit: when Kevin Kelly Sheets received a prescription for Phenergan with Codeine, having directions as “5ml q 4-6 hr,” Rx #4417409, he dispensed promethazine with codeine, with directions as “take five (5) teaspoonful(s) every 4 to 6 hours,” which had not been specifically prescribed by the physician. The patient was subsequently harmed. Such conduct is in violation of Section 3715.52(A)(2) of the Ohio Revised Code.
(3) Kevin Kelly Sheets did, on or about March 20, 2007, when dispensing Rx #4417409, fail to offer to counsel the patient or caregiver. Such conduct is in violation of Rule 4729-5-22 of the Ohio Administrative Code.

Such conduct is in violation of Section 3715.52(A)(2) of the Ohio Revised Code.

Kevin Kelly Sheets neither admits nor denies the allegations stated in the Notice of Opportunity for Hearing letter dated August 9, 2007; however, the Board has evidence sufficient to sustain the allegations and hereby adjudicates the same.

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of a formal hearing at this time, Kevin Kelly Sheets knowingly and voluntarily agrees with the State Board of Pharmacy to the following:

(A) Kevin Kelly Sheets' pharmacist identification card, No. 03-3-11763, will be placed on probation for five years from the effective date of this Agreement, with the following conditions:

1. Kevin Kelly Sheets may not work in a pharmacy more than 40 hours per week; and no more than 8 hours per day with the exception of Saturdays when he may work a 10 hour shift.

2. Kevin Kelly Sheets' pharmacist identification card is not in good standing and thereby denies the privilege of being a preceptor and training pharmacy interns pursuant to paragraph (D)(1) of Rule 4729-3-01 of the Ohio Administrative Code.

3. Kevin Kelly Sheets may not serve as a responsible pharmacist.

4. Kevin Kelly Sheets must cause his physician to submit quarterly reports to the Board addressing Kevin Kelly Sheets' diabetes maintenance and control in order to practice pharmacy safely.

(B) Kevin Kelly Sheets agrees to the imposition of a monetary penalty of five hundred dollars ($500.00) due and owing within thirty days from the effective date of this Agreement. Checks should be made payable to the "Treasurer, State of Ohio" and mailed with the enclosed form to the State Board of Pharmacy, 77 South High Street, Room 1702, Columbus, Ohio 43215-6126.

(C) Kevin Kelly Sheets must obtain, within two years from the effective date of this Agreement, five hours of continuing pharmacy education (0.5 CEUs) on preventing medication errors and/or patient counseling, which may not also be used for license renewal.

If, in the judgment of the Board, Kevin Kelly Sheets appears to have violated or breached any terms or conditions of this Agreement, the Ohio State Board of Pharmacy reserves the right to, at any time, revoke probation, modify the conditions of probation, and reduce or extend the period of probation, and/or the Board may institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violation of the laws of Ohio occurring before the effective date of this Agreement.
Kevin Kelly Sheets acknowledges that he has had an opportunity to ask questions concerning the terms of this agreement and that all questions asked have been answered in a satisfactory manner. Any action initiated by the Board based on alleged violation of this Agreement shall comply with the Administrative Procedure Act, Chapter 119. of the Ohio Revised Code.

Kevin Kelly Sheets waives any and all claims or causes of action he may have against the State of Ohio or the Board, and members, officers, employees, and/or agents of either, arising out of matters which are the subject of this Agreement. Kevin Kelly Sheets waives any rights of appeal pursuant to Chapter 119. of the Ohio Revised Code.

This Settlement Agreement shall be considered a public record, as that term is used in Section 149.43 of the Ohio Revised Code, and shall become effective upon the date of the Board President’s signature below.
