State of Ohio vs. Derek J. Rhoades, Case No. 06 CRB 873. Derek James Rhoades was fined $100.00.

Derek James Rhoades did, on or about July 11, 2007, knowingly make a false statement with purpose to secure the issuance of a license or registration, to wit: Derek James Rhoades indicated to a Board agent that he had previously reported all alcohol and/or drug-related incidents in his past; yet, Derek James Rhoades omitted a material array of incidents that occurred during the week of March 27, 2005. During such time, Derek James Rhoades engaged in a series of incorrigible acts involving alcohol, marijuana, and deceit during a high school trip. Such conduct is in violation of Section 2921.13 of the Ohio Revised Code.

Derek James Rhoades was, on or about December 22, 2006, convicted in the Common Pleas Court of Logan County, Ohio, of Criminal Trespass, a misdemeanor of the fourth degree, in violation of Section 2911.21 of the Ohio Revised Code. DECISION OF THE BOARD

Pursuant to Sections 4729.11 of the Ohio Revised Code and Rule 4729-5-04 of the Ohio Administrative Code, and on the basis of the foregoing Findings of Fact and Conclusions of Law, the State Board of Pharmacy hereby denies the issuance of a certificate of registration or an identification card to practice as a pharmacy intern in Ohio and, therefore, denies the Pharmacy Intern Registration Application submitted by Derek James Rhoades on or about March 20, 2007.

Further, Derek James Rhoades may not reappear prior to the August 2008 Board meeting to request the Board's reconsideration, pursuant to Ohio Revised Code Chapter 119. The Board will only consider the issuance of a certificate of registration or an identification card to practice as a pharmacy intern in Ohio if the following conditions have been met:

(A) Derek James Rhoades must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, mail a copy of the contract to the Board office. The contract must provide that:

(1) Random, observed urine drug screens shall be conducted at least once each month.

(a) The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

(b) Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

(2) The intervener/sponsor shall submit to the Board reports, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

(3) Attendance is required a minimum of three times per week at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.
(4) The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

(B) Derek James Rhoades must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.

(C) Derek James Rhoades must provide, at the reinstatement petition hearing, documentation of the following:

1. Compliance with the contract required above (e.g. proof of giving the sample within twelve hours of notification and copies of all drug screen reports, meeting attendance records, treatment program reports, etc.);

2. Compliance with the terms of this Order.

(D) Upon such time as the Board may consider reinstatement, Derek James Rhoades will be afforded a Chapter 119 hearing. At such time, the Board may consider reinstatement with or without restrictions and/or conditions as the Board deems appropriate under the circumstances.
