DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Steven Christopher Green on October 21, 2008.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification card, No. 03-3-20041, held by Steven
Christopher Green and such suspension is effective as of the date of the mailing of this Order.

(A) Steven Christopher Green, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

(B) Steven Christopher Green, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return his identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested.

Further, after twelve months from the effective date of this Order, the Board will consider any petition filed by Steven Christopher Green for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

(A) Steven Christopher Green must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, mail a copy of the contract to the Board office. The contract must provide that:

1. Random, observed urine drug screens shall be conducted at least once each month.
   
   a. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.
   
   b. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

2. The intervener/sponsor shall submit to the Board reports, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

3. Attendance is required a minimum of three times per week at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

4. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

(B) Steven Christopher Green must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.
(C) Steven Christopher Green must provide, at the reinstatement petition hearing, documentation of the following:

(1) Compliance with the contract required above (e.g., proof of giving the sample within twelve hours of notification and copies of all drug screen reports, meeting attendance records, treatment program reports, etc.);

(2) Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;

(3) Compliance with the terms of this Order.

(D) If reinstatement is not accomplished within three years of the effective date of this Order, Steven Christopher Green must also show successful completion of the North American Pharmacist Licensure Examination (NAPLEX) examination.
