SETTLEMENT AGREEMENT WITH THE STATE BOARD OF PHARMACY
Docket Number D-110211-166
in the matter of:

NATALIE JANE FRIES, R.Ph.
5369 Pinecastle Court
West Chester, Ohio 45069

R.Ph. Number 03-1-29472

This Settlement Agreement is entered into by and between Natalie Jane Fries and the Ohio State Board of Pharmacy, a state agency charged with enforcing the Pharmacy Practice Act and Dangerous Drug Distribution Act, Chapter 4729. of the Ohio Revised Code.

Natalie Jane Fries voluntarily enters into this Agreement being fully informed of her rights afforded under Chapter 119. of the Ohio Revised Code, including the right to representation by counsel, the right to a formal adjudication hearing on the issues contained herein, and the right to appeal. Natalie Jane Fries acknowledges that by entering into this agreement she has waived her rights under Chapter 119. of the Revised Code.

Whereas, the Board is empowered by Section 4729.16 of the Ohio Revised Code to suspend, revoke, limit, place on probation, refuse to grant or renew an identification card or enforce a monetary penalty on the license holder for violation of any of the enumerated grounds therein.
Whereas, Natalie Jane Fries is licensed to practice pharmacy in the State of Ohio.

Whereas, on or about February 11, 2011, pursuant to Chapter 119. of the Ohio Revised Code, Natalie Jane Fries was notified of the allegations or charges against her, her right to a hearing, her rights in such hearing, and her right to submit contentions in writing. Natalie Jane Fries declined her right to a hearing. The February 11, 2011, Notice of Opportunity for Hearing contains the following allegations or charges:

(1) Records of the State Board of Pharmacy indicate that Natalie Jane Fries was originally licensed in the State of Ohio on July 16, 2009, pursuant to examination, and is currently licensed to practice pharmacy in the State of Ohio.

(2) Natalie Jane Fries did, on or about June 24, 2010, misbrand a drug, to wit: when Natalie Jane Fries received a prescription for Ambien 5 mg #90, RX #C673039, she dispensed glimepiride 4 mg #90, which had not been specifically prescribed by the physician. The patient was subsequently harmed, and succumbed three months later. Such conduct is in violation of Section 3715.52(A)(2) of the Ohio Revised Code.

Natalie Jane Fries neither admits nor denies the allegations stated in the Notice of Opportunity for Hearing letter dated February 11, 2011; however, the Board has evidence sufficient to sustain the allegations and hereby adjudicates the same. Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of a formal hearing at this time, Natalie Jane Fries knowingly and voluntarily agrees with the State Board of Pharmacy to the following:

(A) Natalie Jane Fries agrees to the imposition of a monetary penalty of three hundred dollars ($300.00) due and owing within thirty days from the effective date of this Agreement. Checks should be made payable to the “Treasurer, State of Ohio” and mailed with the enclosed forms to the State Board of Pharmacy, 77 South High Street, Room 1702, Columbus, Ohio 43215-6126.

(B) In addition, Natalie Jane Fries must obtain, within one year from the effective date of this Agreement, ten hours of approved continuing pharmacy education (1.0 CEUs), which may not also be used for license renewal.

If, in the judgment of the Board, Natalie Jane Fries appears to have violated or breached any terms or conditions of this Agreement, the Ohio State Board of Pharmacy reserves the right to, at any time, revoke probation, modify the conditions of probation, and reduce or extend the period of probation, and/or the Board may institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violation of the laws of Ohio occurring before the effective date of this Agreement.

Natalie Jane Fries acknowledges that she has had an opportunity to ask questions concerning the terms of this agreement and that all questions asked have been answered in a satisfactory manner. Any action initiated by the Board based on alleged violation of this Agreement shall comply with the Administrative Procedure Act, Chapter 119. of the Ohio Revised Code.

Natalie Jane Fries waives any and all claims or causes of action she may have against the State of Ohio or the Board, and members, officers, employees, and/or agents of either, arising out of matters which are the subject of this
Agreement. Natalie Jane Fries waives any rights of appeal pursuant to Chapter 119. of the Ohio Revised Code.

This Settlement Agreement shall be considered a public record, as that term is used in Section 149.43 of the Ohio Revised Code, and shall become effective upon the date of the Board President's signature below.

10. Docket Sheet, Ohio vs. John Randy Callihan, Case No. 90CR000137, Scioto County Common Pleas Court [06-02-10]

Respondent's Exhibit: A. Letter from Christopher Stegawski, M.D. to Ohio State Board of Pharmacy [03-31-11]
FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the State Board of Pharmacy indicate that Christopher Stegawski has signed an application for licensure indicating that Christopher Stegawski is the sole proprietor at the address indicated above and thereby the responsible person pursuant to Sections 4729.27 and 4729.55 of the Ohio Revised Code.

(2) Lucasville Medical Specialist has not furnished satisfactory proof to the Board that adequate safeguards are assured to prevent the sale or the distribution of dangerous drugs by any person other than a pharmacist or licensed health professional authorized to prescribe drugs. Specifically, unlicensed persons have keys and unfettered access to the stock and drug safe. Christopher Stegawski, the sole physician and only licensed health professional at the practice, does not check medications that leave the facility with patients, and Christopher Stegawski only initials prescriptions when he "gets a minute." Such indicates that Lucasville Medical Specialist does not meet the qualifications for a Terminal Distributor of Dangerous Drugs set forth in Section 4729.55(C) of the Ohio Revised Code.

(3) Lucasville Medical Specialist has not furnished satisfactory proof to the Board that they meet the requirements of a Terminal Distributor of Dangerous Drugs, since an agent or employee of Lucasville Medical Specialist has been found guilty of violating provisions of the federal drug abuse control laws and/or Chapter 2925. of the Ohio Revised Code. Specifically, an employee with Lucasville Medical Specialist, John R. Callihan, has been convicted of Possession of Marijuana, a third degree felony in Warren County, Ohio. Additionally, John R. Callihan has been convicted of aggravated trafficking in drugs, a third degree felony in Scioto County, Ohio. Lucasville Medical Specialist has offered no satisfactory proof of any safeguards to assure preventing its recurrence. Such indicates that Lucasville Medical Specialist does not meet the qualifications for a Terminal Distributor of Dangerous Drugs as set forth in Section 4729.55(E) of the Ohio Revised Code.

CONCLUSIONS OF LAW

The State Board of Pharmacy concludes that paragraphs (2) and (3) of the Findings of Fact constitute failure to meet the qualifications for a Terminal Distributor of Dangerous Drugs license as set forth in Section 4729.55 (B), (C) and (F) of the Ohio Revised Code.

DECISION OF THE BOARD

Pursuant to Sections 3719.03 and 4729.53 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby refuses to license or register Lucasville Medical Specialist; and therefore denies the Application for a Terminal Distributor of Dangerous Drugs license submitted by Christopher Stegawski on May 5, 2010.

Ms. Lange said there was no report from the Medical Board's Physician-Assistant Policy Committee this month and that the committee is scheduled to meet the week of April 11, 2011.
The Board continued its discussion of the indispensable Healthcare (Michigan) proposal concerning after-hours pharmacy services/remote order-entry from home. The Board agreed to approve the proposal subject to the following: if the company's pharmacists are working from their homes, they must be licensed as pharmacists in Ohio; if the pharmacists are working from a central location, the facility must acquire an Ohio Terminal Distributor of Dangerous Drugs license; the company must report quality-analysis metrics quarterly for one year, and the computer screen must go to black after a period of one minute of inactivity. Mr. Moné moved that the request be approved subject to the above conditions. The motion was seconded by Ms. Lange and approved by the Board: Aye – 6.

Mr. Mitchell asked whether the Board would be interested in meeting with the Department of Health to discuss disaster preparedness issues. It was suggested that Department of Health representatives be invited to the Board’s June 2011, meeting, with a specific date and time to be confirmed later.
