- H1. Letter to Dr. Harry Plotnick from John F. Wyman, PhD., DABT, DABFT of Forensic Toxicology Consultant [05-25-11]

FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

- (1) Records of the Board of Pharmacy indicate that Risa Jo Gethers was originally licensed in the State of Ohio on March 2, 2006, pursuant to examination, and is not currently licensed to practice pharmacy in the State of Ohio. Records further reflect that Risa Jo Gethers was previously

disciplined by the Board on April 9, 2009 and Risa Jo Gethers was summarily suspended effective January 14, 2011.

- (2) Risa Jo Gethers is addicted to or abusing drugs and/or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy, to wit: in 2008, Risa Jo Gethers admitted that she is addicted to hydrocodone, an opiate. In April of 2009, the Board indefinitely suspended Risa Jo Gethers' license to practice pharmacy due in part to her addiction. The Board's Order required Risa Jo Gethers to have random, observed drug screens during the period of her suspension, stating that any positive result would be indicative of a violation of her treatment contract. In December of 2010, the Board's Order reinstating Risa Jo Gethers' license to practice pharmacy placed her on a period of probation. Terms of that probation required Risa Jo Gethers to have random, observed drug screens, and included the provision that "any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract." On December 1, 2010, Risa Jo Gethers admittedly tested positive for norfentanyl, a metabolite of fentanyl, a Controlled Substance opiate. The presence of this substance indicates that Risa Jo Gethers falls within the ambit of Sections 3719.121 and 4729.16(A)(3) of the Ohio Revised Code.

Further, Risa Jo Gethers has not shown she is no longer addicted to controlled substances. Section 3719.121 of the Ohio Revised Code requires as much; Risa Jo Gethers has not satisfied this provision.

CONCLUSIONS OF LAW

The State Board of Pharmacy concludes that paragraph (2) of the Findings of Fact constitutes being addicted to liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy as provided in Division (A)(3) of Section 4729.16 of the Ohio Revised Code.

DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Risa Jo Gethers on January 14, 2011.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy adjudicates the matter of Risa Jo Gethers as follows:

- (A) On the basis of the Findings of Fact and Conclusions of Law, the State Board of Pharmacy hereby revokes permanently the pharmacist's identification card, No. 03-3-27085, held by Risa Jo Gethers effective as of the date of the mailing of this Order.

Further, the Board stays the revocation pursuant to Section 4729.16 of the Ohio Revised Code, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification card, No.03-3-27085, held by Risa Jo Gethers and such suspension is effective as of the date of the mailing of this Order.

- (A) Risa Jo Gethers, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.
- (B) Risa Jo Gethers pursuant to Section 4729.16(B) of the Ohio Revised Code, must return her identification card and license (wall certificate) to the office of

the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested.

Further, after two years from the date of her summary suspension order effective January 14, 2011, the Board will consider any petition filed by Risa Jo Gethers for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

- (A) Risa Jo Gethers must enter into a **new** contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. The contract must provide that:
 - (1) **Random, observed** urine drug screens shall be conducted a minimum of twice each month.
 - (a) The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.
 - (b) Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.
 - (2) Attendance is required a minimum of five times per calendar week (Sunday through Saturday), at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.
 - (3) The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.
- (B) Risa Jo Gethers must demonstrate satisfactory proof to the Board that she is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.
- (C) Risa Jo Gethers must provide, at the reinstatement petition hearing, documentation of the following:
 - (1) Compliance with the contract required above (e.g.-proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.);
 - (2) Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;
 - (3) Compliance with the terms of this Order.
- (D) If reinstatement is not accomplished within three years of the effective date of this Order, Risa Jo Gethers must also show successful completion of the

3. Drug Inventory Report Listing for Unique Relief, LLC [02-09-11]

FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

- (1) Records of the Board of Pharmacy indicate that on or about December 9, 2010, Margy Temponeras was the owner of Unique Relief, LLC, 418 Center Street, Wheelersburg, Ohio, and that on said date, Unique Relief, LLC submitted an application for registration as a Terminal Distributor of Dangerous Drugs.
- (2) Unique Relief has failed to furnish satisfactory proof to the Board that a pharmacist or a licensed health professional authorized to prescribe drugs will maintain supervision and control over the possession and custody of dangerous drugs that may be acquired by or on behalf of the applicant. Specifically, employees have unfettered, unsupervised access to the drug stock, possessing keys to the drug stock storage. Additionally, the facility does not maintain adequate records of the receipt and sale of dangerous drugs, and records of accountability for the drugs are inadequate. Such is contrary to Section 4729.55(B) of the Ohio Revised Code.

Such is contrary to Section 4729.55(C) of the Ohio Revised Code.
