In the Matter of:

GHA PHARMACY
c/o Timothy Dale Burton, R.Ph.
2915 Clifton Avenue
Cincinnati, Ohio 45220
(Terminal Distributor Number 02-1526550)
This Settlement Agreement is entered into by and between GHA Pharmacy and the Ohio State Board of Pharmacy, a state agency charged with enforcing the Pharmacy Practice Act and Dangerous Drug Distribution Act, Chapter 4729. of the Ohio Revised Code.

GHA Pharmacy enters into this Agreement being fully informed of its rights afforded under Chapter 119. of the Ohio Revised Code, including the right to representation by counsel, the right to a formal adjudication hearing on the issues contained herein, the right to appeal. GHA Pharmacy acknowledges that by entering into this Agreement it has waived its rights under Chapter 119. of the Revised Code.

WHEREAS, the State Board of Pharmacy is empowered by Section 4729.57 of the Ohio Revised Code to suspend, revoke, refuse to renew any license issued to a Terminal Distributor of Dangerous Drugs pursuant to section 4729.54 of the Revised Code, or may impose a monetary penalty on the license holder, for violation of any of the enumerated grounds of Section 4729.57 of the Ohio Revised Code.

WHEREAS, GHA Pharmacy is a licensed Terminal Distributor of Dangerous Drugs in the State of Ohio.

WHEREAS, on or about October 19, 2011, pursuant to Chapter 119. of the Ohio Revised Code, GHA Pharmacy was notified of the allegations or charges against it, its right to a hearing, its rights in such hearing, and its right to submit contentions in writing. Further, a hearing was scheduled and continued by the Board. The October 19, 2011, Notice of Opportunity for Hearing contains the following allegations or charges:

(1) Records of the Board of Pharmacy indicate that GHA Pharmacy is licensed with the State Board of Pharmacy as a Terminal Distributor of Dangerous Drugs. Such conduct is in violation of Rule 4729-9-15(A) of the Ohio Administrative Code.

GHA Pharmacy neither admits nor denies the allegations stated in the Notice of Opportunity for Hearing letter dated October 19, 2011; however, the Board has evidence sufficient to sustain the allegations and hereby adjudicates the same.

Wherefore, in consideration of the foregoing and mutual promises hereinafter set forth, and in lieu of a formal hearing at this time, GHA Pharmacy knowingly and voluntarily agrees with the State Board of Pharmacy to the following:

(A) GHA Pharmacy agrees to the imposition of a monetary penalty of three thousand dollars ($3,000.00) due and owing within thirty days from the effective date of this Agreement. Checks should be made payable to the “Treasurer, State of Ohio” and mailed with the enclosed forms to the State
GHA Pharmacy agrees to adopt and implement the policies as submitted to the Ohio State Board of Pharmacy in its letter dated January 4, 2012. These policies are incorporated into this Agreement as if fully rewritten herein.

(C) In addition, GHA Pharmacy agrees to require each pharmacist in charge and supervising pharmacist at all GHA Pharmacy locations to obtain, within six months from the effective date of this Agreement, five hours of approved continuing pharmacy education (0.5 CEUs) in Jurisprudence, which may not also be used for license renewal.

GHA Pharmacy acknowledges that it has had an opportunity to ask questions concerning the terms of this Agreement and that all questions asked have been answered in a satisfactory manner. Any action initiated by the Board based on alleged violation of this Agreement shall comply with the Administrative Procedure Act, Chapter 119. of the Ohio Revised Code.

GHA Pharmacy waives any and all claims or causes of action it may have against the State of Ohio or the Board, and members, officers, employees, and/or agents of either, arising out of matters which are the subject of this Agreement. This Agreement embodies the entire Agreement between and of the parties. There are no express or implied promises, guarantees, terms, covenants, conditions, or obligations other than those contained herein; and this agreement supersedes all previous communications, representations or agreements, either verbal or written, between the parties.

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Richard Duane Brunst on August 29, 2011.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification card, Number 03-3-18429, held by Richard Duane Brunst and such suspension is effective as of the date of the mailing of this Order.

(A) Richard Duane Brunst, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

(B) Richard Duane Brunst, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return his identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested.

Further, after two years from the effective date of this Order, the Board will consider any petition filed by Richard Duane Brunst for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

(A) Richard Duane Brunst must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Alcohol and Drug Addiction Services (ODADAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. The contract must provide that:

(1) Random, observed urine drug screens shall be conducted at least once each month.

   (a) The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   (b) Alcohol must be added to the standard urine drug screen. A Breathalyzer may be used to test for alcohol, but an appropriately certified individual must conduct the test within twelve hours of notification.

   (c) Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but
excluding false positives which resulted from medication
legitimately prescribed, indicates a violation of the
contract.

(2) The intervener/sponsor shall submit to the Board reports, in a
format acceptable to the Board, indicating drug screens and their
results in a timely fashion. Actual copies of drug screens shall be
made available to the Board upon request.

(3) Attendance is required a minimum of three times per calendar
week (Sunday through Saturday), at an Alcoholics Anonymous,
Narcotics Anonymous, and/or similar support group meeting.

(4) The program shall immediately report to the Board any violations
of the contract and/or lack of cooperation.

(B) Richard Duane Brunst must demonstrate satisfactory proof to the Board
that he is no longer addicted to or abusing liquor or drugs or impaired
physically or mentally to such a degree as to render him unfit to practice
pharmacy.

(C) Richard Duane Brunst must provide, at the reinstatement petition
hearing, documentation of the following:

(1) Compliance with the contract required above (e.g.-proof of giving
the sample within twelve hours of notification and copies of all
drug and alcohol screen reports, meeting attendance records,
treatment program reports, etc.);

(2) Compliance with the continuing pharmacy education
requirements set forth in Chapter 4729-7 of the Ohio
Administrative Code as applicable and in effect on the date of
petitioning the Board for reinstatement;

(3) Compliance with the terms of this Order.

(D) If reinstatement is not accomplished within three years of the effective
date of this Order, Richard Duane Brunst must also show successful
completion of the North American Pharmacist Licensure Examination
(NAPLEX) or an equivalent examination approved by the Board.

(E) Upon such time as the Board may consider reinstatement, Richard Duane
Brunst will be afforded a Chapter 119. hearing. At such time, the Board
may consider reinstatement with or without restrictions and/or
conditions as the Board deems appropriate under the circumstances.
