William C. Perry voluntarily enters into this Agreement being fully informed of his rights afforded under Chapter 119. of the Ohio Revised Code, including the right to representation by counsel, the right to a formal adjudication hearing on the issues contained herein, and the right to appeal. William C. Perry acknowledges that by entering into this Agreement he has waived his rights under Chapter 119. of the Revised Code.

Whereas, the Board is empowered by Section 4729.16 of the Ohio Revised Code to suspend, revoke, limit, place on probation, refuse to grant or renew an identification card or enforce a monetary penalty on the license holder for violation of any of the enumerated grounds therein.

Whereas, William C. Perry is licensed to practice pharmacy in the State of Ohio.

Whereas, on or about January 18, 2013, pursuant to Chapter 119. of the Ohio Revised Code, William C. Perry was notified of the allegations or charges against him, his right to a hearing, his rights in such hearing, and his right to submit contentions in writing. William C. (B) In addition, William C. Perry must obtain, within 90 days from the effective date of this Agreement, six hours of approved continuing pharmacy education (0.6 CEUs) in Patient Safety, which may not also be used for license renewal.

If, in the judgment of the Board, William C. Perry appears to have violated or breached any terms or conditions of this Agreement, the Ohio State Board of Pharmacy reserves the right to, at any time, revoke probation, modify the conditions of probation, and reduce or extend the period of probation, and/or the Board may institute formal disciplinary proceedings for any and all possible violations or breaches, including but not limited to, alleged violation of the laws of Ohio occurring before the effective date of this Agreement.

William C. Perry acknowledges that he has had an opportunity to ask questions concerning the terms of this Agreement and that all questions asked have been answered in a satisfactory manner. Any action initiated by the Board based on alleged violation of this Agreement shall comply with the Administrative Procedure Act, Chapter 119. of the Ohio Revised Code.

William C. Perry waives any and all claims or causes of action he may have against the State of Ohio or the Board, and members, officers, employees, and/or agents of either, arising out of matters which are the subject of this Agreement. William C. Perry waives any rights of appeal pursuant to Chapter 119. of the Ohio Revised Code.

This Settlement Agreement shall be considered a public record, as that term is used in Section 149.43 of the Ohio Revised Code, and shall become effective upon the date of the Board President's signature below.

FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witness, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the Board of Pharmacy indicate that Jamie Raymond Kuhn was originally licensed in the State of Ohio on July 21, 1998, pursuant to examination, and is currently licensed to practice pharmacy in the State of Ohio. Records further reflect that Jamie Raymond Kuhn was previously disciplined by the Board of Pharmacy on November 6, 2009.

(2) Jamie Raymond Kuhn is addicted to or abusing drugs and/or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy, to wit: in 2009, Jamie Raymond Kuhn admitted that he was addicted to hydrocodone, an opiate. In May of 2009, the Board summarily suspended Jamie Raymond Kuhn’s license due in part to his addiction. In November of 2009, the Board imposed an indefinite suspension of Jamie Raymond Kuhn’s license with various monitoring conditions. In December 2011 the Board reinstated Jamie Raymond Kuhn’s license. The Board’s Order required Jamie Raymond Kuhn to continue compliance with a treatment contract he had entered with an approved treatment provider. Such contract included random, observed urine drug screens conducted at least once each month for the first year and then at least once every three months thereafter. On or about July 31, 2012, while being on administrative probation with the Board and currently under a contract with PRO (the Pharmacist Rehabilitation Organization), Jamie Raymond Kuhn failed to provide a urine sample when notified via the laboratory’s website to do so. As such, Jamie Raymond Kuhn falls within the ambit of Sections 3719.121 and 4729.16(A)(3) of the Ohio Revised Code. Jamie Raymond Kuhn also falls directly under the control of Ohio Administrative Code Section 4729-6-10(2) for his failed compliance with his treatment contract from an approved treatment provider.

(3) On or about October 29, 2012, while summarily suspended as a result of Jamie Raymond Kuhn’s failure to provide a urine sample in violation of his 2011 Board Order, Jamie Raymond Kuhn submitted a urine sample which tested positive for the presence of cocaine. Jamie Raymond Kuhn further admitted to a Board agent that he had ingested (snorted) cocaine on or about the evening of October 27, 2012. As such, Jamie Raymond Kuhn falls within the ambit of Sections 3719.121 and 4729.16(A)(3) of the Ohio Revised Code. Jamie Raymond Kuhn also falls directly under the control of Ohio
Administrative Code Section 4729-6-10(A)(2) for his failed compliance with his treatment contract from an approved treatment provider.

CONCLUSIONS OF LAW
