FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the State Board of Pharmacy finds the following to be fact:

(1) Records of the Board of Pharmacy indicate that Dominic Pileggi was originally licensed in the State of Ohio on July 18, 2014, pursuant to examination, and is currently licensed to practice pharmacy in the State of Ohio.

(2) Dominic Pileggi is addicted to or abusing liquor or drugs to such a degree as to render him unfit to practice pharmacy. As such, the continuation of his professional practice presents a danger of immediate and serious harm to others, to wit: Dominic Pileggi did, on or about October 18, 2014, practice pharmacy (within the meaning of Ohio Revised Code Section 4729.01) while intoxicated. Specifically, three nurses reported that he smelled of alcohol and was slow in responding to his duties as a pharmacist. As a result, he was tested for alcohol consumption and showed a Blood Alcohol Level of 0.109. Dominic Pileggi further admitted to Pharmacy Board Agents that he abused liquor and drink approximately 3-4 times per week, consuming approximately 10 drinks per setting with whiskey being his drink of choice.
CONCLUSIONS OF LAW

(1) The State Board of Pharmacy concludes that paragraph (2) of the Findings of Fact constitutes being guilty of dishonesty and unprofessional conduct in the practice of pharmacy as provided in Division (A)(2) of Section 4729.16 of the Ohio Revised Code.

(2) The State Board of Pharmacy concludes that paragraph (2) of the Findings of Fact constitutes being addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy as provided in Division (A)(3) of Section 4729.16 of the Ohio Revised Code.

DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Dominic Pileggi on November 12, 2014.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification card, No. 03-2-34002, held by Dominic Pileggi and such suspension is effective as of the date of the mailing of this Order.

(A) Dominic Pileggi, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

(B) Dominic Pileggi, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return his identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested to the attention of Rachael Collins.

Further, after November 12, 2015, the Board will consider any petition filed by Dominic Pileggi for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

(A) Dominic Pileggi must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. The contract must provide that:

(1) Random, observed urine drug screens shall be conducted at least once each month.
The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

Attendance is required a minimum of three times per calendar week (Sunday through Saturday), at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

Dominic Pileggi must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.

Dominic Pileggi must provide, at the reinstatement petition hearing, documentation of the following:

1. Compliance with the contract required above (e.g., proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.);

2. Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;

3. Compliance with the terms of this Order.

If reinstatement is not accomplished within three years of the effective date of this Order, Dominic Pileggi must also show successful completion of the North American Pharmacist Licensure Examination (NAPLEX) or an equivalent examination approved by the Board.

(1) The written report and documentation provided by the treatment program pursuant to the contract, and

(2) A written description of Joseph Merrill’s progress towards recovery and what Joseph Merrill has been doing during the previous three months.

(C) Other terms of probation are as follows:

(2) Joseph Merrill may not serve as a responsible pharmacist.

(3) Joseph Merrill may not destroy, assist in, or witness the destruction of controlled substances.
