6. If evidence of compliance with the 90 meetings in 90 consecutive days is not timely submitted and/or is deemed not to meet the Board’s requirements herein, the revocation of Ryan Griffin’s license will take effect by operation of law.

7. Ryan Griffin, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

8. Ryan Griffin, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return his pharmacist identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board

Requirements for Reinstatement

Further, after March 1, 2019, the Board will consider a petition filed by Ryan Griffin for a hearing, pursuant to Ohio Revised Code Chapter 119, for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if Ryan Griffin personally appears before the Board and demonstrates the following conditions have been met:

1. Respondent must maintain a current address with the Board throughout the duration of the suspension.

2. Respondent must enter into a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. The contract must provide that:

   a. Random, observed urine drug screens shall be conducted at least once each month.

   b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   c. Alcohol and Ethyl Glucoronide (ETG) must be added to the standard urine drug screen.

   d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

   e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Respondent in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

   f. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

   g. After completion of the 90 meetings in 90 days, attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate
days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

3. Respondent shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the Board shall treat these results as a violation of the Board’s Order and request Respondent reappear before the Board for possible additional sanctions, including and up to revocation of license.

4. Ryan Griffin shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board’s Orders and request Ryan Griffin reappear before the Board for possible additional sanctions, including and up to revocation of license.

5. Ryan Griffin must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Ryan Griffin to possible additional sanctions, including and up to revocation of license.

6. Ryan Griffin must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render him unfit to practice pharmacy.

7. Ryan Griffin must provide, in the reinstatement petition, documentation of the following:

   a. Compliance with the contract required above (e.g.-proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.);

   b. Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;

   c. Compliance with the terms of this Order.

8. If reinstatement is not accomplished within three years of the effective date of this Order, Respondent may need to apply for and successfully complete the North American Pharmacist Licensure Examination (NAPLEX) and/or Multistate Pharmacy Jurisprudence Examination (MPJE) or an equivalent examination approved by the Board.
9. If Ryan Griffin’s employment is related to the practice of pharmacy, Ryan Griffin must notify employer of the terms of Ryan Griffin’s suspension and this Board’s Order.

10. Violation of any term of suspension, including but not limited to any violation of the contract signed with the ODMHAS or other approved treatment provider may result in additional action before the Board up to and including revocation of your pharmacy intern license.

11. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.

12. Failure to complete the terms set forth in the Board’s Order, and/or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Ryan Griffin’s License.
