FINDINGS OF FACT

After having heard the testimony, observed the demeanor of the witnesses, considered the evidence, and weighed the credibility of each, the Board finds that Cynthia Yu has substantially complied with the terms set forth in the Board Order of the State of Ohio Board of Pharmacy, Case No. 2015-1877, dated June 7, 2016.

DECISION OF THE BOARD

On the basis of the Finding of Fact set forth above, and after consideration of the record as a whole, the State of Ohio Board of Pharmacy hereby approves the reinstatement of the pharmacist identification card, No. 03-1-27791, held by Cynthia Yu to practice pharmacy in Ohio subject to a
period of probation for five years beginning on the effective date of this Order, with the following conditions:

1. Cynthia Yu must enter into and adhere to the terms of a **new** contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Failure to adhere to the terms of the treatment contract will be considered a violation of the Board’s Order and subject Cynthia Yu to potential sanctions up to and including revocation of license. The contract must provide that:

   a. Random, observed urine drug screens shall be conducted at least once each month.

   b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   c. Alcohol and Ethyl Glucuronide (ETG) must be added to the standard urine drug screen.

   d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

   e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Cynthia Yu in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

2. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

   a. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

   b. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

3. Cynthia Yu shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the
Board shall treat these results as a violation of the Board’s Order and request Cynthia Yu reappear before the Board for possible additional sanctions, including and up to revocation of license.

4. Cynthia Yu shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of probation. The Board shall treat any such refusal as a violation of the Board’s Order and request Cynthia Yu reappear before the Board for possible additional sanctions, including and up to revocation of license.

5. Cynthia Yu must submit quarterly progress reports to the Board (due January 10, April 10, July 10, and October 10 of each year of probation) that include:
   a. The written report and documentation provided by the treatment program pursuant to the contract; and
   b. A written description of Cynthia Yu’s progress towards recovery and what Cynthia Yu has been doing during the previous three months.

6. Other terms of probation are as follows:
   a. Cynthia Yu must meet at least annually with the Board’s Probation Committee, the first meeting to be held Monday, August 6, 2018.
   b. The State of Ohio Board of Pharmacy hereby declares that Cynthia Yu’s pharmacist identification card is not in good standing and thereby denies the privilege of being a preceptor and training pharmacy interns pursuant to paragraph (D)(1) of Rule 4729-3-01 of the Ohio Administrative Code.
   c. Cynthia Yu may not serve as a responsible pharmacist.
   d. Cynthia Yu may not destroy, assist in, or witness the destruction of controlled substances.
   e. Cynthia Yu may not work in a pharmacy more than 40 hours per week or 80 hours over a two-week period.
   f. Cynthia Yu must, during the first six months of practice, work only with a pharmacist whose license is in good standing.
   g. Cynthia Yu must not violate the drug laws of Ohio, any other state, or the federal government.
   h. Cynthia Yu must abide by the rules of the State of Ohio Board of Pharmacy.
   i. Cynthia Yu must comply with the terms of this Order.
j. Cynthia Yu’s license is deemed not in good standing until successful completion of the probationary period.

7. Cynthia Yu must immediately report any violation of the terms of this probation to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Cynthia Yu to possible additional sanctions, including and up to revocation of license.

8. Any violation of probation or this Board’s Order may result in a Board hearing to consider alternative or additional sanctions under Section 4729.16 of the Ohio Revised Code, including and up to revocation of Cynthia Yu’s license.

At the conclusion of the probationary period, the Board will issue a notice of opportunity for hearing to Cynthia Yu regarding the status of Cynthia Yu’s probation and whether Cynthia Yu has successfully met all terms of probation and may be considered in good standing.

Further, the Board hereby grants the State’s Motion to Seal the Record in this matter including, but not limited to, all confidential patient health information contained in the record, specifically State’s exhibits: 6 and Petitioner’s exhibits: A, C, D, E, and F.

DECISION OF THE BOARD

Pursuant to Section 3719.121 of the Ohio Revised Code, the State Board of Pharmacy hereby removes the Summary Suspension Order issued to Chanice Newcomer on November 21, 2017.

Pursuant to Section 4729.16 of the Ohio Revised Code, and after consideration of the record as a whole, the State Board of Pharmacy hereby suspends indefinitely the pharmacist identification
card, No. 03-1-34117, held by Chanice Newcomer and such suspension is effective as of the date of the mailing of this Order.

1. Chanice Newcomer, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

2. Chanice Newcomer, pursuant to Section 4729.16(B) of the Ohio Revised Code, must return her identification card and license (wall certificate) to the office of the State Board of Pharmacy within ten days after receipt of this Order unless the Board office is already in possession of both. The identification card and wall certificate should be sent by certified mail, return receipt requested.

Further, after 3 years from the effective date of this Order, the Board will consider any petition filed by Chanice Newcomer for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the license to practice pharmacy in Ohio if the following conditions have been met:

1. Chanice Newcomer must maintain a current address with the Board throughout the duration of the suspension.

2. Chanice Newcomer must enter into and adhere to the terms of a new contract, signed within thirty days after the effective date of this Order, with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider or a treatment provider acceptable to the Board for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Failure to adhere to the terms of the treatment contract will be considered a violation of the Board’s Order and subject Chanice Newcomer to potential sanctions up to and including revocation of license. The contract must provide that:

a. Random, observed urine drug screens shall be conducted at least once each month.

b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

c. Alcohol and Ethyl Glucoronide (ETG) must be added to the standard urine drug screen.

d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Chanice Newcomer in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.
f. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

g. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

3. Chanice Newcomer shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the Board shall treat these results as a violation of the Board’s Order and request Chanice Newcomer reappear before the Board for possible additional sanctions, including and up to revocation of license.

4. Chanice Newcomer shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board’s Order and request Chanice Newcomer reappear before the Board for possible additional sanctions, including and up to revocation of license.

5. Chanice Newcomer must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Chanice Newcomer to possible additional sanctions, including and up to revocation of license.

6. Chanice Newcomer must demonstrate satisfactory proof to the Board that she is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.

7. Chanice Newcomer must successfully complete all terms of her plea agreement in the State of Ohio vs. Newcomer, hereinafter Cuyahoga County case CR-17-621918-A; failure to comply with any term of her plea agreement or the Court’s Orders constitutes a violation of this Board Order.

8. Chanice Newcomer must appear before the Board’s Probation Committee no sooner than 6 months prior to her ability to petition for reinstatement to request permission from the Board’s Probation Committee to retake the North American Pharmacist Licensure Examination (NAPLEX) and the Multistate Pharmacy Jurisprudence Examination (MPJE). Chanice Newcomer must bring written evidence from the Cuyahoga County Prosecutor’s Office regarding her compliance with any plea agreement in Cuyahoga County case CR-17-621918-A.

9. Chanice Newcomer must provide, in the reinstatement petition, documentation of the following:
a. Compliance with the contract required above (e.g. proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.);

b. Compliance with the continuing pharmacy education requirements set forth in Chapter 4729-7 of the Ohio Administrative Code as applicable and in effect on the date of petitioning the Board for reinstatement;

c. Proof of passing the NAPLEX and MPJE;

d. Compliance with the terms of this Order.

10. Any reinstatement shall not occur until such time as any criminal intervention in lieu of conviction or any other plea agreement or Court Orders in Cuyahoga County case CR-17-621918-A, has been successfully completed.

11. Violation of any term of this Board’s suspension Order, including but not limited to any violation of the contract signed with the ODMHAS or other approved treatment provider or any violation of her plea agreement may result in additional action before the Board up to and including revocation of Chanice Newcomer’s pharmacy license.

12. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.

13. If Chanice Newcomer’s employment is related to the practice of pharmacy, Chanice Newcomer must notify her employer of the terms of her suspension and this Board’s Order.

14. Failure to complete the terms set forth in this Board’s Order, or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Chanice Newcomer’s license.
