R-2020-0547 Ms. Rudell moved that the Board approve the resolution. The motion was seconded by Mr. Newlon and approved by the Board: Aye-7, Nay-0. The following resolution was adopted by the Board:

---

**Employee Identification Cards**

The State of Ohio Board of Pharmacy (Board) hereby waives the requirements of rules 3796:6-2-09(G) and 3796:6-3-01(J) of the Ohio Administrative Code related to medical marijuana employee identification cards and hereby adopts the following resolution, effective upon the renewal of the dispensary employee’s license currently set to expire on December 4, 2020 and for any new employee and any replacement for a current employee on or after the effective date of this resolution:

**Employee Identification Separation Requirements (Rule 3796:6-2-09(G) of the Administrative Code)**

NOTE: This replaces the current process established in paragraph (G) of the rule.

Upon termination of employment or when a dispensary employee otherwise ceases to be employed with a dispensary, the dispensary shall:

(1) Collect the employee identification card for destruction and disposal by the dispensary. The dispensary shall ensure the destruction of the dispensary employee identification card as soon as possible but no more than ten business days from the date of termination or separation.

(2) Submit a notice of separation to the Board within ten business days of the termination or separation of the dispensary employee in a manner determined by the Board.

**Dispensary Printing Employee Identification Cards (Rule 3796:6-3-01(J) of the Administrative Code)**
Upon the effective date of this resolution, a dispensary may print employee identification cards required by rule 3796:6-3-01(J) of the Ohio Administrative Code. If a dispensary chooses to print employee identification cards, the card design shall be approved by the board prior to issuance.

(1) Each employee identification card shall clearly identify the employee to the public and contain, at a minimum, the following information:

(a) A clear photo of the employee’s face measuring two inches by two inches, taken not more than ninety days prior to the issuance to the employee;

(b) The date on which the identification card was issued to the employee;

(c) The employee’s current name;

(d) The medical marijuana employee license number;

(e) The date on which the license expires; and

(f) The name of the dispensary.

(2) Identification cards shall expire four years from the date of issuance.

(3) A dispensary employee shall be issued a separate identification card for each dispensary employing that individual.

All medical marijuana dispensary employees are still required to wear an identification card that clearly identifies them to the public and contains the required information described above. However, by removing the requirement that the cards be printed by the Board, dispensaries will be able to immediately print cards for employees that have been licensed by the Board, replace lost or damaged cards, and create cards that are consistent with each dispensary’s brand while still ensuring each of its employees are properly identified while on-duty.

Upon a written request, the Board will continue to issue identification cards to dispensary employees until January 5, 2021. All dispensary employees must continue to wear the employee identification card issued by the Board until an approved card is printed by the dispensary and the medical marijuana dispensary disposes of the employee identification card issued by the Board pursuant to this resolution. Dispensaries must submit proposed employee identification card renderings through the Compliance portal for consideration and approval.

A dispensary is no longer required to return an employee identification card with the Employee Separation Notification Form to the Board upon a separation of employment. The medical
marijuana dispensary is responsible for the destruction and disposal of an employee identification card.

Failure to comply with the conditions set forth in this resolution will be considered a violation of Chapter 3796. of the Ohio Administrative Code and may result in disciplinary action.

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items: State’s Exhibits numbered (1) through (9), Respondent’s Exhibits (A) through (E), the hearing transcript, and Hearing Examiner Decarlow’s Report and Recommendation.

DECISION OF THE BOARD

After thorough review of the entire administrative record, the Board hereby adopts Hearing Examiner Decarlow’s Findings of Facts (1) and (2)(a)-(d), including those that specifically relate to the Board’s Notice letter dated August 20, 2019.

The Board adopts Conclusions of Law (1), (2), (3), (4), (5)(a), (5)(b), (5)(d)(a)-(5)(d)(d), (6)(a)-(d), and (7)(a)-(c), as set forth by Hearing Examiner Decarlow.

The Board further modifies the Report and Recommendation to strike the Board’s violation of law as set forth in the Notice dated August 20, 2019 paragraph (3) and Report and Recommendation Conclusion of Law (5)(c): Not of good moral character and habits, in violation of ORC 4729.90(B)(1)(c) and OAC Rule 4729:3-1-01(G).

All violations of law are supported based on the evidence in the record. Specifically, Ms. Snyder’s admission that she is addicted to opioids, she stole drugs the morning of the interview with the Board agent, and she stole oxycodone-acetaminophen from will-call bags and stock bottles, taking two to three tablets at a time. She admitted she stole from the pharmacy for approximately two to four weeks. (R&R Conclusions of Law 5(a)-5(d) and 6(a)-(d); State’s Ex. 5).

The Board adopts the Hearing Examiner’s Recommendation with modification. Pursuant to Section 4729.96 of the Ohio Revised Code and Rule 4729:3-4-01 of the Ohio Administrative Code, and after consideration of the record as a whole, the Board hereby adopts, with modification, the recommendation of the Hearing Examiner to remove the summary suspension and suspend indefinitely the pharmacy technician registration number 09-211904, held by Samantha Snyder, and such suspension is effective as of the mailing of this Order.

Samantha Snyder, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

Further, after three years from the effective date of this Order, the Board will consider any petition filed by Samantha Snyder for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the pharmacy technician registration if the following conditions have been met:
1. Samantha Snyder must maintain a current address with the Board throughout the duration of the suspension.

2. Samantha Snyder must enter into and adhere to the terms of a contract, signed within thirty days after the effective date of this Order, with a Board approved treatment monitor for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Samantha Snyder should also submit to the Board documentation demonstrating compliance with an Ohio Department of Mental Health and Addiction Services (ODMHAS) treatment provider, if applicable. Failure to adhere to the terms of the treatment contract will be considered a violation of the Board’s Order and subject Samantha Snyder to potential sanctions up to and including revocation of license. The treatment monitor contract must provide that:

   a. **Random, observed** urine drug screens shall be conducted at least once each month.

   b. The urine sample must be given within twelve hours of notification. The urine drug screen must include testing for creatinine or specific gravity of the sample as the dilutional standard.

   c. Alcohol and Ethyl Glucoronide (ETG) must be added to the standard urine drug screen.

   d. Results of all drug screens must be negative. Refusal of a drug screen or a diluted drug screen is equivalent to a positive result. Any positive results, including those which may have resulted from ingestion of food, but excluding false positives which resulted from medication legitimately prescribed, indicates a violation of the contract.

   e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Samantha Snyder in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

   f. The intervener/sponsor shall submit reports to the Board, in a format acceptable to the Board, indicating drug screens and their results in a timely fashion. Actual copies of drug screens shall be made available to the Board upon request.

   g. Attendance is required a minimum of three times per calendar week (Sunday through Saturday) on separate days, at an Alcoholics Anonymous, Narcotics Anonymous, and/or similar support group meeting.

   h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.
3. Samantha Snyder shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS or a Board approved treatment monitor, the Board shall treat these results as a violation of the Board’s Order and request Samantha Snyder reappear before the Board for possible additional sanctions, including up to revocation of license.

4. Samantha Snyder shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board’s Order and request Samantha Snyder reappear before the Board for possible additional sanctions, including up to revocation of license.

5. Samantha Snyder must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Samantha Snyder to possible additional sanctions, including up to revocation of license.

6. Samantha Snyder must demonstrate satisfactory proof to the Board that he is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.

7. Samantha Snyder must provide, in the reinstatement petition, documentation of the following:
   a. Compliance with the contract required above (e.g. proof of giving the sample within twelve hours of notification and copies of all drug and alcohol screen reports, meeting attendance records, treatment program reports, etc.); and
   b. Compliance with the terms of this Order.

8. Any reinstatement shall not occur until such time as any criminal intervention in lieu of conviction has been successfully completed.

9. Violation of any term of suspension, including but not limited to any violation of the contract signed with the ODMHAS or other approved treatment provider may result in additional action before the Board up to and including revocation of Samantha Snyder’s pharmacy intern license.

10. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this Order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.
11. If Samantha Snyder’s employment is related to the practice of pharmacy, Samantha Snyder must notify employer of the terms of Samantha Snyder’s suspension and this Board’s Order.

12. Failure to complete the terms set forth in this Board’s Order, or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Samantha Snyder’s pharmacy technician registration.

Ms. Rudell moved to confirm and approve the Report and Recommendation of Hearing Examiner Decarlow with the modifications outlined above. Ms. Yarosh seconded the motion. Motion passed (Aye - 6/Nay - 0).

Additionally, the Board finds that the following violations of law as alleged in Paragraphs 1, 2, and 3a, respectively, in the Summary Suspension/Notice of Opportunity for Hearing were supported by a preponderance of the evidence:
• Such conduct, as set forth in the Findings of Fact Section, constitutes a violation of Section 2923.03(A)/2925.03 of the Revised Code, complicity to commit trafficking in marihuana (a.k.a. marijuana);

After a thorough review of the administrative record, including the aggravating and mitigating factors identified by the Hearing Examiner, as well as the arguments presented by counsel during the Oral Address to the Board on June 9, 2020, the Board rejects Hearing Examiner Robert C. Angell’s recommendation to revoke the medical marijuana employee license of Myles Gooding, license no. MME.05300490.

The Board suspends Myles Gooding’s medical marijuana dispensary support employee license no. MME.05300490 for a period of 18-months from the date of the Summary Suspension/Notice of Opportunity for Hearing, with six months stayed on the condition that no further violations of any state or federal law or rule occur during any period of probation imposed by the Board; a period of probation for 24-months effective from the date the employee license is reinstated by the Board, and to meet with the Probation Committee upon request; and a fine in the amount of $500, to be paid in full prior to the reinstatement of Myles Gooding’s medical marijuana dispensary support employee license.

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items:

- State’s Exhibit A—Respondent’s Hearing Notice
FINDINGS OF FACT

After thorough review of the entire administrative record, the Board hereby confirms and approves the facts contained in the affidavits submitted by Nicole Dehner and Erin Reed.

Respondent was properly served and informed of its right to contest the denial of its application for a medical marijuana provisional dispensary license. As Respondent failed to request a hearing, no additional facts were presented to the Board on behalf of Respondent.

Under R.C. 3796.05 and Ohio Adm. Code 3796:6-2-05, the Board determined that it would issue up to sixty (60) medical marijuana provisional dispensary licenses for applications submitted between November 3, 2017 and November 17, 2017.

The State was split into thirty-one (31) separate districts. The maximum number of dispensaries in each district varied from one (1) to (5). The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm. Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district. These scores are contained in State’s Exhibit D.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

CONCLUSIONS OF LAW

The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm. Code 3796:6-2-04. Respondent is denied a medical marijuana provisional dispensary license at the address listed in State’s Exhibit A because Respondent’s score was not high enough as compared to other applicants in the same district to be awarded one of the medical marijuana provisional dispensary licenses for that district.

DECISION OF THE BOARD
Based on the above information, Respondent’s application is hereby DENIED.

Mr. Weaver moved for the findings of fact, conclusions of law, and decision of the Board. Ms. Yarosh seconded the motion. Motion passed (Aye-6/Nay-0).

INTRODUCTION

A Notice of Opportunity for Hearing/Notice of Intent to Deny Application for Medical Marijuana Dispensary License (Notice) was issued to (Respondent) by the State of Ohio Board of Pharmacy (Board) on June 15, 2018. Respondent did not request a hearing on the matter. The matter subsequently came for consideration by the Board on June 9, 2020, before the following members of the State of Ohio Board of Pharmacy: Shawn C. Wilt, RPh, Presiding; Jennifer M. Rudell, RPh; Fred M. Weaver, RPh; Joshua M. Cox, RPh; Kilee S. Yarosh, RPh; D. Rich Miller III, RPh; and Richard J. Newlon, Public Member. As no hearing has been requested, the Board proceeds under the authority of Goldman v. State Med. Bd. of Ohio, 110 Ohio App.3d 124, 129 (10th Dist.1996).

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items:

- State’s Exhibit A—Respondent’s Hearing Notice
FINDINGS OF FACT

After thorough review of the entire administrative record, the Board hereby confirms and approves the facts contained in the affidavits submitted by Nicole Dehner and Erin Reed.

Respondent was properly served and informed of its right to contest the denial of its application for a medical marijuana provisional dispensary license. As Respondent failed to request a hearing, no additional facts were presented to the Board on behalf of Respondent.

Under R.C. 3796.05 and Ohio Adm. Code 3796:6-2-05, the Board determined that it would issue up to sixty (60) medical marijuana provisional dispensary licenses for applications submitted between November 3, 2017 and November 17, 2017.

The State was split into thirty-one (31) separate districts. The maximum number of dispensaries in each district varied from one (1) to (5). The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm. Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district. These scores are contained in State’s Exhibit D.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

CONCLUSIONS OF LAW

The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm. Code 3796:6-2-04. Respondent is denied a medical marijuana provisional dispensary license at the address listed in State’s Exhibit A because
Respondent’s score was not high enough as compared to other applicants in the same district to be awarded one of the medical marijuana provisional dispensary licenses for that district.

DECISION OF THE BOARD

Based on the above information, Respondent’s application is hereby DENIED.

Mr. Weaver moved for the findings of fact, conclusions of law, and decision of the Board. Ms. Yarosh seconded the motion. Motion passed (Aye-6/Nay-0).

- The Affidavit of Erin Reed

FINDINGS OF FACT

After thorough review of the entire administrative record, the Board hereby confirms and approves the facts contained in the affidavits submitted by Nicole Dehner and Erin Reed.

Respondent was properly served and informed of its right to contest the denial of its application for a medical marijuana provisional dispensary license. As Respondent failed to request a hearing, no additional facts were presented to the Board on behalf of Respondent.

Under R.C. 3796.05 and Ohio Adm. Code 3796:6-2-05, the Board determined that it would issue up to sixty (60) medical marijuana provisional dispensary licenses for applications submitted between November 3, 2017 and November 17, 2017.

The State was split into thirty-one (31) separate districts. The maximum number of dispensaries in each district varied from one (1) to (5). The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm. Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district. These scores are contained in State’s Exhibit D.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

CONCLUSIONS OF LAW
The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm. Code 3796:6-2-04. Respondent is denied a medical marijuana provisional dispensary license at the address listed in State’s Exhibit A because Respondent’s score was not high enough as compared to other applicants in the same district to be awarded one of the medical marijuana provisional dispensary licenses for that district.

DECISION OF THE BOARD

Based on the above information, Respondent’s application is hereby DENIED.

Mr. Weaver moved for the findings of fact, conclusions of law, and decision of the Board. Ms. Yarosh seconded the motion. Motion passed (Aye-6/Nay-0).

The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm. Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district. These scores are contained in State’s Exhibit D.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

**CONCLUSIONS OF LAW**
The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm. Code 3796:6-2-04. Respondent is denied a medical marijuana provisional dispensary license at the address listed in State’s Exhibit A because Respondent’s score was not high enough as compared to other applicants in the same district to be awarded one of the medical marijuana provisional dispensary licenses for that district.

**DECISION OF THE BOARD**

Based on the above information, Respondent’s application is hereby DENIED.

Mr. Weaver moved for the findings of fact, conclusions of law, and decision of the Board. Ms. Yarosh seconded the motion. Motion passed (Aye-6/Nay-0).
