R-2021-0103  Mr. Wilt moved that the Board approve the resolution. The motion was seconded Mr. Cox and approved by the Board: Aye-6, Nay-0. The following resolution was adopted by the Board:

In order to promote social distancing during the COVID-19 outbreak, the State of Ohio Board of Pharmacy issued the following resolution on the sale and shipment of patient-specific, non-reportable dangerous drugs by non-Ohio licensed border state facilities to patients residing in the state.

As used in this guidance:
“Non-reportable dangerous drug” means a dangerous drug, as defined in section 4729.01 of the Revised Code, that is not required to be reported to the Ohio Automated Rx Reporting System for the purposes of reporting wholesale transactions. Therefore, a non-reportable dangerous drug includes all dangerous drugs except for:

- Controlled substances dangerous drugs; and
- Dangerous drugs containing gabapentin.

“Border state” means the state of Kentucky, West Virginia, Pennsylvania, Indiana or Michigan.

This guidance is being issued in accordance with a Board resolution initially adopted on March 2, 2020.

A border state facility that is not licensed in Ohio may sell patient-specific, non-reportable dangerous drugs to Ohio patients if all the following apply:

1. The non-Ohio licensed location is currently licensed in its home state and in good standing. “In good standing” means the facility does not have a license, registration or certificate limited, on probation, suspended, or revoked by any public agency or licensing agency. This applies to expired or lapsed licenses that the facility may have held in other states.

2. The facility must offer counseling with every medication dispensed, shipped or sold. The offer shall be made by telephone or in writing on a separate document and shall accompany the medication. A written offer to counsel shall include the hours a pharmacist (or prescriber, if applicable) is available and a telephone number where a pharmacist (or prescriber, if applicable) may be reached. The facility shall have sufficient telephone service to provide access to incoming callers.

3. The dangerous drug sold or shipped was produced by an authorized FDA registered drug manufacturer (i.e. no compounded medications).

4. The facility submits a Border State Shipment Request Form to the Board of Pharmacy prior to shipping any medications to an Ohio patient. Only one request form per unlicensed location must be submitted during the effective period of this guidance. Once the form is reviewed and approved, the facility shall receive temporary authorization from the Board to sell or ship non-reportable, patient-specific dangerous drugs into the state.

Failure to comply with this resolution will result in an unlicensed entity being found in violation of applicable sections of the Ohio Revised Code.

This guidance shall remain in effect until rescinded by the Board.

Jennifer J. Colla, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

Further, no sooner than one year from the date of this Order, the Board will consider any petition filed by Jennifer J. 2. Jennifer J. Colla must enter into and adhere to the terms of a new contract, signed within thirty days after the effective date of this Order, with a Board approved treatment monitor for a period of not less than five years and, upon signing, submit a copy of the contract to the Board office. Failure to adhere to the terms of the treatment contract and/or monitoring contract will be considered a violation of the Board’s Order and subject Jennifer Colla to potential sanctions up to and including revocation of license. e. In the event of a negative diluted screen, a hair sample test must be completed at the cost of the Jennifer J. Colla in a timeframe consistent with the drug lab’s recommended policy, but in any event no later than 12 days after the negative diluted screen.

h. The program shall immediately report to the Board any violations of the contract and/or lack of cooperation.

3. Jennifer J. Colla shall not refuse an employer provided drug or alcohol screen. If the Board becomes aware of any positive drug or alcohol screen results that were obtained in the course of employment or any mechanism other than via the signed contract with ODMHAS, the Board shall treat these results as a violation of the Board’s Order and request Jennifer J. Colla reappear before the Board for possible additional sanctions, including and up to revocation of license.

4. Jennifer J. Colla shall not refuse a breathalyzer or other drug testing requested by law enforcement during the duration of suspension. The Board shall treat any such refusal as a violation of the Board’s Order and request Jennifer J. Colla reappear before the Board for possible additional sanctions, including and up to revocation of license.

5. Jennifer J. Colla must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Jennifer J. Colla to possible additional sanctions, including and up to revocation of license.
6. Jennifer J. Colla must demonstrate satisfactory proof to the Board that she is no longer addicted to or abusing liquor or drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.

Wilt, RPh; Trina L. Buettner, RPh; Joshua M. Cox, RPh; Megan Marchal, RPh; D. Rich Miller III, RPh; and Victor Goodman, Public Member. As no hearing has been requested, the Board proceeds under the authority of Goldman v. State Med. Bd. of Ohio, 110 Ohio App.3d 124, 129 (10th Dist.1996).

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items:
- State’s Exhibit A—Respondent’s Hearing Notice
- State’s Exhibit B—Proof of Service
- State’s Exhibit C—Respondent Score Sheet
- State’s Exhibit D—Full List of Application Scores by District
- The Affidavit of Nicole Dehner
- The Affidavit of Erin Reed

FINDINGS OF FACT
After thorough review of the entire administrative record, the Board hereby confirms and approves the facts contained in the affidavits submitted by Nicole Dehner and Erin Reed.

Respondent was properly served and informed of its right to contest the denial of its application for a medical marijuana provisional dispensary license. As Respondent failed to request a hearing, no additional facts were presented to the Board on behalf of Respondent.

Under R.C. 3796.05 and Ohio Adm.Code 3796:6-2-05, the Board determined that it would issue up to sixty (60) medical marijuana provisional dispensary licenses for applications submitted between November 3, 2017 and November 17, 2017.

The State was split into thirty-one (31) separate districts. The maximum number of dispensaries in each district varied from one (1) to (5). The entities eligible to receive a medical marijuana provisional dispensary license were determined through a competitive application process. In accordance with R.C. 3796.10 and Ohio Adm.Code 3796:6-2-04(A) and 3796:6-2-01, the Board awarded provisional dispensary licenses based on the ranking of scores in each district. These scores are contained in State’s Exhibit D.

Respondent timely applied to receive a medical marijuana provisional dispensary license to operate at the address identified in State’s Exhibit A. The address is located in the district number listed in the caption.

**CONCLUSIONS OF LAW**

The Board scored the applications consistent with the requirements of the Request for Applications, R.C. 3796.04 and Ohio Adm.Code 3796:6-2-04. Respondent is denied a medical marijuana provisional dispensary license at the address listed in State’s Exhibit A because Respondent’s score was not high enough as compared to other applicants in the same district to be awarded one of the medical marijuana provisional dispensary licenses for that district.

**DECISION OF THE BOARD**

Based on the above information, Respondent’s application is hereby DENIED.

Mr. Miller moved for the findings of fact, conclusions of law, and decision of the Board. Mr. Wilt seconded the motion. Motion passed (Aye-6/Nay-0) (Jennifer M. Rudell, RPh, Presiding-Aye; Shawn C. Wilt, RPh-Aye; Trina L. Buettner, RPh-

BOARD REVIEW OF THE RECORD

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items: State’s Exhibits
numbered (1) through (6), the hearing transcript, and Hearing Examiner Angell’s Report and Recommendation. Respondent did not submit exhibits.

DECISION OF THE BOARD

After thorough review of the entire administrative record, the Board hereby adopts Hearing Examiner Angell’s Finding of Facts, including those that specifically relate to the Board’s Notice letter dated February 26, 2020.

The Board further modifies the Report and Recommendation to include the Board’s violations of law as set forth in the Notice of Hearing dated February 26, 2020, paragraphs:

(4) Not of good habits; ORC Section 4729.92(A)(1) and OAC Rule 4729:3-1-01(N)

All violations of law are supported based on the evidence in the record. Specifically, Ms. Moore’s admission that she had diverted controlled substances for her own personal use from the pharmacy. (Tr. At 11-14; State’s Ex. 5).

The Board adopts the Hearing Examiner’s Recommendation with modification. Pursuant to Section 4729.96 of the Ohio Revised Code and Rule 4729:3-4-01 of the Ohio Administrative Code, and after consideration of the record as a whole, the Board hereby adopts, with modification, the recommendation of the Hearing Examiner to remove the summary suspension and suspend indefinitely the pharmacy technician registration number 09-212754, held by Karla Moore, and such suspension is effective from the date of the summary suspension (February 26, 2020).

Karla Moore, pursuant to Rule 4729-9-01(F) of the Ohio Administrative Code, may not be employed by or work in a facility licensed by the State Board of Pharmacy to possess or distribute dangerous drugs during such period of suspension.

Further, after 18 months from the date of the summary suspension (February 26, 2020), the Board will consider any petition filed by Karla Moore for a hearing, pursuant to Ohio Revised Code Chapter 119., for reinstatement. The Board will only consider reinstatement of the pharmacy technician registration if the following conditions have been met:

1. Karla Moore must maintain a current address with the Board throughout the duration of the suspension.

2. Karla Moore must demonstrate satisfactory proof to the Board that she is no longer addicted to or abusing drugs or impaired physically or mentally to such a degree as to render her unfit to practice pharmacy.

3. Karla Moore must provide, in the reinstatement petition, documentation of the following:
d. Karla Moore must provide a letter and medical records from her treating physician. The letter and records must demonstrate that Karla Moore is able to practice pharmacy with the proper requisite skill, competence, safety, and that she is not addicted to or abusing dangerous drugs. This documentation must be submitted three (3) months prior to reinstatement; and

e. Karla Moore must provide a report of assessment from an addiction specialist. The assessment must demonstrate her ability to practice pharmacy with the proper requisite skill, competence, and safety, and demonstrate she is not addicted to or abusing dangerous drugs. This documentation must be submitted three (3) months prior to reinstatement; and

f. Compliance with the terms of this Order.

4. Any reinstatement shall not occur until such time as any criminal intervention in lieu of conviction has been successfully completed.

5. Karla Moore must immediately report any violation of the terms of this suspension to the Board by contacting legal@pharmacy.ohio.gov. Failure to self-report any violation shall be treated as a violation of this Board’s Order and will subject Karla Moore to possible additional sanctions, including and up to revocation of license.

6. Any violation of Chapters 2925., 3715., 3719., 4729., of the Ohio Revised Code, any administrative code violation or a violation of any other state or federal law will be considered a violation of this order resulting in a hearing before the Board and may also result in criminal and/or administrative charges.

7. If Karla Moore’ employment is related to the practice of pharmacy, Karla Moore must notify her employer of the terms of Karla Moore’ suspension and this Board’s Order.

8. Failure to complete the terms set forth in this Board’s Order, or to petition for reinstatement within five years of the date of this Order, will result in the Board issuing a notice of opportunity for hearing to consider additional disciplinary action, including and up to revocation of Karla Moore’ pharmacy technician registration.

Mr. Wilt moved to confirm and approve the Report and Recommendation of Hearing Examiner Angell with the modifications outlined above. Ms. Buettner seconded the motion. Motion passed (Aye - 6/Nay - 0).

FINAL ORDER OF THE STATE OF OHIO BOARD OF PHARMACY

Chanelle Middlebrooks ("Respondent") submitted an application for registration as a registered pharmacy technician ("Application") to the State of Ohio Board of Pharmacy on January 29, 2018 and was granted conditional approval as a registered pharmacy technician on August 17, 2018, registration no. 09-203802. The Notice was returned as unclaimed and a Certificate of Mailing was sent to Respondent on October 12, 2018. It was not returned for failure of delivery. Pursuant to Ohio Revised Code Section 119.07, Respondent had a right to a hearing if requested within 30 days of the Notice’s mailing. Respondent failed to request a hearing by the thirtieth and final day. Accordingly, as no hearing was requested, the Board considered the matter on September 1, 2020 under the authority of Goldman v. State Med. Bd. of Ohio, 110 Ohio App.3d 124, 129 (10th Dist.1996).

The Board reviewed the entire administrative record in this matter prior to making its decision, which included the following items:

- State’s Exhibit 1: Notice of Hearing

WHEREFORE, after review of the entire administrative record and pursuant to ORC 4729.96(A)(1) and Ohio Administrative Code 4729:3-4-01(B), the State of Ohio Board of Pharmacy finds and concludes that Respondent engaged in conduct set forth in ORC 4729.96(A)(2) and OAC 4729:3-4-01(C) and all violations of law as described in the Notice.

WHEREFORE, after review of the entire administrative record, the Board further finds the criminal conduct to be of such an egregious nature that employment in a facility containing dangerous drugs, including controlled substances, and providing services that impact the public’s health and safety warrant a permanent prohibition on applying for any license or registration over which the State Board of Pharmacy has jurisdiction as set forth below. Based on the findings contained herein, the Board ORDERS as follows:

1. Respondent’s Application is DENIED.

2. Respondent may not reapply for any license or registration over which the State of Ohio Board of Pharmacy has jurisdiction, including those set forth in Chapters 3719., 3796., 4729. or 4752. of the Revised Code, unless Respondent provides a Certificate of Qualification Employment (CQE) for Board consideration and review.
