FINDINGS OF FACT

1. On or about November 13, 2018, Sandy Anderson submitted an application for The De Morgan Wellness Group, located at 8913 N. Main Street, Ste. B, Dayton, Ohio. Sandy Anderson answered “No” to the questions inquiring whether the applicant or responsible person had ever been the subject of an investigation or disciplinary action by the Drug Enforcement Administration or appropriate issuing body of any state or jurisdiction that resulted in the surrender, suspension, revocation, or probation of the responsible person’s license or registration.

   a. On or about September 19, 2019, the Ohio Board of Nursing issued a Board Order against Sandy Anderson’s licenses to practice nursing as a registered nurse and advanced practice registered nurse designated as
a nurse practitioner. The Board reprimanded Ms. Anderson’s licenses, imposed a $500 fine and ordered Ms. Anderson to complete 32 hours of continuing education, including 15 hours of Prescribing/OARRS specific education. The conduct that resulted in the Board’s Order was outlined in a Notice of Opportunity for Hearing issued on September 27, 2018 and included, in part:

i. On October 30, 2017, Sandy Anderson, while working as a certified nurse practitioner, accessed an OARRS report for a patient for which she did not have a current relationship and without medical necessity. Ms. Anderson obtained a copy of a prescription for the patient and emailed it to the Ohio Civil Rights Commission. Ohio Board of Nursing, Case No. 17-006453.

b. On or about February 11, 2019, Sandy Anderson submitted a Non-Physician Ownership Waiver which listed Sandy Anderson and Cindy Lawson as co-owners of The De Morgan Wellness Group. Cindy Lawson was not included in the November 13, 2018 application. The waiver application stated Cindy Lawson’s license to practice nursing was revoked.

i. On or about March 13, 2015, the Ohio Board of Nursing issued an Order permanently revoking Cindy Lawson’s license to practice nursing as a registered nurse. The Board’s decision, as stated in the Board Order, was a result of multiple prior Board actions, beginning with a Consent Agreement in 2007, and a long history of non-compliance and relapses. The Board provided Ms. Lawson opportunities to demonstrate she can comply with Board requirements and maintain sobriety and she failed to do so. Case No. 14-003235.

SETTLEMENT AGREEMENT WITH THE STATE OF OHIO BOARD OF PHARMACY

This Settlement Agreement (Agreement) is entered into by the State of Ohio Board of Pharmacy (Board) and Washington Township, Ohio (Franklin, Delaware, and Union Counties) (Washington Township), for the purpose of resolving all issues between the parties relating to the Board's investigation of the Washington Township Fire Department Headquarters allegedly transferring dangerous drugs, including controlled substances, to the unlicensed satellite fire stations #91, #92, #93, and #95. Together, the Board and Township, are referred to hereinafter as "the parties.

JURISDICTION

1. Pursuant to Section 4729.57 of the Ohio Revised Code and the rules adopted thereunder, the Board has the authority to suspend, revoke, or refuse to grant or renew any license issued pursuant to Section 4729.54 of the Ohio Revised Code.

2. Washington Township Fire Dept. Headquarters, located at 6200 Eiterman Road, Dublin, Ohio has an active Terminal Distributor of Dangerous Drugs ("TDDD") license with the Board under license number 02-0346550.

3. Washington Township Fire Dept. Station #91 has an active TDDD license with the Board under license number 02-0346554.

4. Washington Township Fire Dept. Station #92 has an active TDDD license with the Board under license number 02-0346553.

5. Washington Township Fire Dept. Station #93 has an active TDDD license with the Board under license number 02-0346551.

6. Washington Township Fire Dept. Station #95 has an active TDDD license with the Board under license number 02-0346552.

FACTS
1. The Board initiated an investigation of Washington Township TDDD license number 02-0346550, related to the possible transferring of dangerous drugs, including controlled substances, to unlicensed satellite fire station locations #91 (02-0346554), #92 (02-0346553), #93 (02-0346551), and #95 (02-0346552).

3. On September 3, 2020, Washington Township, on behalf of itself as well as its “Fire Department Headquarters” and Fire Station Numbers 91, 92, 93, and 95 requested an Administrative Hearing.

4. Without admitting any liability or intentional wrongdoing, Washington Township submits that a scriveners error was made when completing the on-line TDDD license applications, for the 2018-2019 renewal period, for fire stations #91, #92, #93, and #95 likely caused Washington Township to submit multiple applications with the same TDDD License Number on it, that of the Washington Township Fire Department Headquarters. It appears this simple mistake caused only one license to be generated for the Fire Department Headquarters/Administration Building (License Number 02-0346550, rather than separate licenses for the Headquarters and each individual fire station.

5. The Parties now, in good faith and in the interest of full and final compromise, settlement, and satisfaction of all claims and disputes between them related to Case Numbers A-2020-0087, A-2020-0089, A-2020-90, A-2020-91, and A-2020106, want to enter into this Agreement.
