

**STATE OF
OHIO**
BOARD OF PHARMACY

Pharmacist Renewal to Begin in Mid-July

Renewal Process

License renewal will begin in mid-July. More information will be sent out as the date approaches. Renewal applications cannot be submitted before that date. Any license renewed after the expiration date of **September 15, 2021** will be assessed a late fee.

Renewal Fees

Pharmacist licenses have transitioned to a biennial (two-year) cycle. All licenses that are successfully renewed will receive a two-year license with an expiration date of **September 15, 2023**.

The biennial renewal fee for a pharmacist license is **\$250.00** and the eLicense System Transaction Fee of \$3.50*. All renewal fees must be paid via Visa, Discover or MasterCard.

**The eLicense System Transaction Fee will be assessed on each license that is renewed in the eLicense Ohio system operated by the Ohio Department of Administrative Services. Licensing boards and commissions do not receive revenue from this fee. The transaction fee is nonrefundable.*

Reminder: Recent changes to Ohio law eliminated the need for the issuance of a pharmacist identification card (i.e., pocket card). Pharmacists may verify their renewed license at www.elicense.ohio.gov/oh_verifylicense.
