Temporary Expansion of the Maximum Days’ Supply for Multiple Drugs in Single-Dose Containers

Updated 12/8/2020

To address patient access to medication during the COVID-19 outbreak, the State of Ohio Board of Pharmacy has adopted the following guidance allowing for the temporary expansion of the authorized maximum days’ supply permitted under rules 4729-9-23 and 4729:5-5-18 of the Administrative Code from 31 days to 60 days.

This guidance shall remain in effect until rescinded by the Board.
