

STATE OF
OHIO
BOARD OF PHARMACY

Request for Public Comment – Drug Compounding

Acting under the authority of Chapter 4729 of the Ohio Revised Code Chapter, the State of Ohio Board of Pharmacy proposes the development of rules to allow for pharmacists to verify drugs compounded within a prescriber clinic.

Comments on the proposed rules will be accepted until close of business on **March 28, 2023**. Please send all comments to the following email address:

4729:7-3-06 – Pharmacists Conducting Medication Validation

(A) Notwithstanding any provision of this chapter of the Administrative Code, a prescriber may delegate a pharmacist to perform medication validation ("final check") of a finished compounded drug preparation prior to it being administered to a patient.

(B) A pharmacist performing medication validation in accordance with paragraph (A) of this rule shall comply with the record keeping provisions of rule 4729:7-3-06 of the Administrative Code.
