

Resolution: Approved HME Continuing Education Providers

Updated 5/4/2020

Per OAC 4729:11-3-04, HME continuing education can be provided as an in-service education developed and taught by the licensed HME services provider, HME manufacturer, or any organization recognized by the Board that offers continuing education relevant to HME services.

The Board hereby approves the following organizations as approved HME CE Providers:

- DMETRAIN
- HealthTrainU
- Ohio Association of Medical Equipment Services
- Ohio Society for Respiratory Care
- VGM Education
