

Responsible Person Qualifications

Updated 7/15/2026

To access the Responsible Person (RP) requirements guidance, visit:

www.pharmacy.ohio.gov/RPguide

Pursuant to rules [4729:5-2-01](#) and [4729:6-2-01](#) of the Ohio Administrative Code, the Ohio Board of Pharmacy is required to adopt a resolution providing the credential types or qualifications required for the responsible person of each classification of terminal distributor of dangerous drugs and drug distributor license. Unless otherwise noted, only individuals that hold the credentials specified by an Ohio licensing authority (Board or Commission) may be the responsible person for that classification type.

Additionally, the resolution also provides additional guidance to licensees regarding compliance with the Board's rule chapters. For each licensee, there is a link (if applicable) to an inspection guide that applies to the specific license type.

- The requirements for terminal distributors of dangerous drugs begin on [page 3](#) of this document.
- The requirements for distributors of dangerous drugs* begin on [page 20](#) of this document.

***NOTES:**

- A distributor of dangerous drugs includes the following license types: manufacturer of dangerous drugs, outsourcing facility, third-party logistics provider, repackager of dangerous drugs and wholesale distributor of dangerous drugs (includes broker and virtual wholesaler).

- “APRN” refers to the following license types: Certified Registered Nurse Anesthetist, Certified Nurse Practitioner, Certified Nurse-Midwife, and Clinical Nurse Specialist who have prescriptive authority via chapter 4729. of the Revised Code.
- “PA” refers to a physician assistant subject to authorization of physician-delegated prescriptive authority. For category III license, must demonstrate proof of mid-level DEA registration.
- An executive director for the purposes of a limited terminal distributor of dangerous drugs license for animal shelter, humane society, WARF, or dog pound means any person that meets both of the following requirements:
 1. Maintains control over day-to-day operations of a location; and
 2. Is responsible for staffing decisions (including volunteers) such as hiring, termination, promotion, or allocation of staff resources or structure.

Effective March 2, 2026, the Board hereby adopts the following responsible person requirements:

TERMINAL - CLINIC
